Communication – Stay Connected

As we begin the new term, we'd like to remind you of our key communication channels. Our primary method of contacting parents and swimmers is through SPOND—a free app available on all smartphones. SPOND allows you to check your swimmer into sessions, receive important updates, and send/receive messages directly from the club.

Starting in September, we will also be posting key notices via SPOND and, when necessary, on our Facebook page.

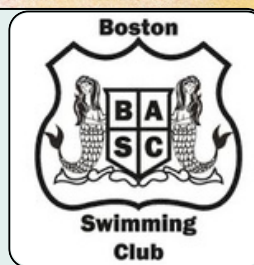

To join us on SPOND, simply scan the QR code below.
