Why did I get involved in Boston Amateur Swim Club?

I have been volunteering as an official for 6 years.

My eldest son swam for the Club and reached Regionals – he now Coaches and lifeguards.

I am good at:

Being organised and planning

Working collaboratively

Things you should know about me:

I am married, have 2 teenage boys and a dog.

I have a full time job as a Director at a national charity supporting people with learning disabilities, this can mean I am away from home sometimes.

I have lived in Boston all my life and swam at BASC in the late 80's early 90's.

I enjoy being with friends, cooking for people and drinking nice wine!

What is important to me:

That the club is successful

That it is inclusive

That the club feels like a community, a place people can learn to be the best they can, have fun and achieve their goals
